RESOLUTION TO BAN THE JAB

Whereas:

1) strong and credible evidence shows COVID-19 and COVID-19 Injections are biological and technological weapons;

2) Pfizer's clinical data revealed 1,223 deaths, 42,000 adverse cases, 158,000 adverse incidents, and approximately 1,000 side effects;

3) an enormous number of people have died or have been permanently disabled after having been jabbed by the COVID-19 injections;

4) strong and credible evidence from Sweden exists that COVID-19 mRNA shots alter human DNA;

5) government agencies, media, tech companies, and other corporations have committed enormous fraud by claiming COVID-19 injections are safe and effective;

6) a statewide grand jury in Florida is investigating COVID-19 vaccine crimes;

7) continued experimentation on humans and denial of Informed consent are violations of the Nuremberg Code that constitute crimes against humanity; and

8) it is reasonable to ask, and investigate, who is provided more immunity from COVID-19 vaccines: vaccine takers or vaccine makers;

Now therefore be it resolved, on behalf of the preservation of the human race, the McIntosh County GOP hereby:

1) calls upon the Oklahoma Governor and State Legislature to prohibit the sale and distribution of COVID-19 Injections and all mRNA injections in Oklahoma; and

2) urges the Oklahoma Attorney General to immediately seize all COVID-19 Injections and mRNA injections in Oklahoma to perform a forensic analysis on these so-called vaccines.

PASSED at the OKGOP State Committee Meeting Saturday, May 31, 2025 at Higher Plains Baptist Church in OKC overwhelmingly on a voice vote.
