The Craig County Republican Committee submits the following Resolution to the OKGOP State Committee

Resolution of the Oklahoma Republican Party State Committee Supporting House Joint Resolution 1040

WHEREAS, House Joint Resolution 1040 ("HJR 1040"), authored by Representative Gabe Woolley, seeks to amend the Oklahoma Constitution to prohibit the application of Sharia Law or any foreign legal code within the jurisdiction of Oklahoma courts, thereby reaffirming the supremacy of the United States Constitution and the Oklahoma Constitution; and

WHEREAS, HJR 1040 is intended to safeguard fundamental liberties, including freedom of speech, religious liberty, and equal rights under the law, ensuring that no foreign ideology or legal system undermines these protections; and

WHEREAS, the people of Oklahoma previously expressed their will through the "Save Our State Amendment" in 2010, which was later invalidated by judicial action, and HJR 1040 seeks to restore and strengthen these protections through a constitutional amendment subject to a vote of the people; and

WHEREAS, the Oklahoma Republican Party is committed to preserving constitutional sovereignty, protecting individual freedoms, and maintaining the integrity of Oklahoma's legal system;

NOW, THEREFORE, BE IT RESOLVED, that the Oklahoma Republican Party State Committee hereby formally endorse House Joint Resolution 1040 and commend Representative Gabe Woolley for his leadership in advancing this measure; and

BE IT FURTHER RESOLVED, that the Oklahoma Republican Party urge Republican voters throughout the State of Oklahoma to support HJR 1040 when presented on the statewide ballot; and
